The Long Way, Natalie Layne, 2025

I'm the kind of heart that likes to know right where I'm going
I would take the highway over dirt roads any day
I would rather speed things up than learn to trust the process
Tell me yes or tell me no, just don't tell me to wait
But You see more than I can see
You've got good plans for me
So I'm surrendering

Chorus
Take me down the long way
If that's where I'm meant to be
Take me down the back roads God
You know what's best for me
You're with me every moment
Even the ones I wouldn't choose
Take me down the long way
If the long way leads to You

I have seen Your faithfulness in every mile so far
All that I have needed You've provided from the start
Your voice is always gentle and Your love is evergreen
Leading me to a kindness that I never would have seen

Chorus

If the long way leads to You
You see more than I can see
You've got good plans for me
They're better than I dreamed
So I'm Yours and I believe

Chorus

Your Grace Is Enough, Matt Maher, 2003

Great is Your faithfulness, oh God
You wrestle with the sinner's restless heart
You lead us by still waters into mercy
And nothing can keep us apart
So, remember Your people
Remember Your children
Remember Your promise, oh God

Chorus
Your grace is enough
Your grace is enough
Your grace is enough for me

Great is Your love and justice, God of Jacob
You use the weak to lead the strong
You lead us in the song of Your salvation
And all Your people sing along
So, remember Your people
Remember Your children
Remember Your promise, oh God

Chorus (3 x's)
