What The World Needs Now, Jackie DeShannon, 1965

[Chorus]

What the world needs now is love, sweet love
It's the only thing that there's just too little of
What the world needs now is love, sweet love
No, not just for some but for everyone

[Verse 1]

Lord, we don't need another mountain
There are mountains and hillsides enough to climb
There are oceans and rivers enough to cross
Enough to last until the end of time

[Chorus]

[Verse 2]

Lord, we don't need another meadow
There are corn fields and wheat fields enough to grow
There are sunbeams and moonbeams enough to shine
Oh, listen Lord, if You want to know

[Chorus]

[Outro]

What the world needs now is love, sweet love
What the world needs now is love, sweet love
What the world needs now is love, sweet love
What the world needs now is love, sweet love
What the world needs now is love, sweet love
