Welcome and Announcements

Responsive Reading

All creation sings a song of praise.

The birds chirp gladness, the daffodils dance joy,

All creation praises God.

The ocean sparkles,

Dolphins leap, whales play.

All creation joins in praise.

The mountains clap their hands,

the trees wave, the sun blesses.

All creation sings a song.

God's choir is singing,

And we join the song the morning stars began. Let us worship God!

Meditation "Creation Sings" (Shirley Erena Murray) Choir

Prayer of Confession (in Unison)

Creator God, you have created such a beautiful world. You saw that it was glorious and good. Then, you lovingly entrusted it to our enjoyment and care. But we confess we have often not been good stewards of our earthly home.

Rather than taking care of it, we have

...sometimes been indifferent with it,

...sometimes exploitative of it,

...and sometimes even destructive to it.

We now find ourselves, and all humanity's future, in an environmental crisis,

...with climate warming,

...waters polluted,

...airs poisoned,

...oceans trashed,

...and animals and fish extinct or endangered.

We plead for forgiveness, as we pray for a renewed sense of your Holy Presence in all Creation. And may we commit to learning new behaviors and new paths of caring for the Earth, with a sense of becoming your faithful stewards. Amen.

Assurance of Pardon

Leader: True repentance means that we make a commitment to live differently. So, with this intention in our hearts, we rejoice that the mercy of the Lord is from everlasting to everlasting. Thanks be to God! Amen.
